

## Our Mission Statement:

As a Catholic Elementary school, our mission is to celebrate our Catholic identity and to foster academic excellence in our students. Through mutual respect, each student is encouraged to be a responsible, faithful, contributing member of the community.

## Community of Faith:

St. Elizabeth Seton School has a beautiful chapel where our community can gather in a warm, inviting and sacred setting to worship. (see below) We start each day with morning prayer and the Pledge of Allegiance in our classrooms. Family members are invited to join us for monthly masses and Eucharistic Adoration.

**Academics/Curriculum:**

**History:**

The rich history of our school, beginning with the Sisters of the Holy Cross, extends over the past one hundred plus years.

Although we have been known by different names over the years; St. Mary School, Holy Rosary School, Rochester Catholic School and, most recently, St. Elizabeth Seton School, our mission and dedication has not changed.

**Tuition/Financial Aid:**

SES makes a strong effort to make tuition affordable through fundraising and donations. Active Catholic parishioners are eligible for a supported tuition rate. Financial Aid is available to qualified families.

**Extended Care:**

St. Elizabeth Seton School also offers before and after school programs. The after school program includes an hour of teacher directed Study Skills; giving the students the opportunity to begin their homework, with assistance if needed.

*“The aftercare program is great. I know that my daughter has time to get her homework done with a teacher available to answer her questions.” –Glenn O’Brien*

- ❖ St. Elizabeth Seton School offers a quality Catholic Education. We are a Christ-Centered community, which aims to inspire within our students a deep love for God and neighbor that leads them to think and act accordingly and to discern right from wrong.
- ❖ Our academic excellence, with a backbone of Catholic faith, distinguishes us from other schools in the greater Rochester area. We offer a unique blend of spiritual, intellectual and emotional growth. Our flexible full-day Kindergarten program allows parents to balance the needs of the child as they transition to school.
- ❖ Our academic program focuses on the whole person and prepares our students for success in high school and beyond. Our Kindergarten through 8th grade students participate in school-wide community service programs.
- ❖ Supported by our on-site chapel, spirituality is included in all aspects of academic life.
